Ross. We are going to give you access to the data room we set up for the bondholders which will have all that you want (and much more). Can you liase with Ryan Kielty (of Centerview) on access on who will want to go into the dataroom. You will need to sign an NDA (and Kathy can give that to you).

I am free to speak at 130 today if that works.

Regards,

Gary,

It's been a long time since Genuity. Good to see (by email so far) you again.

Should we get a call together today to get started on this?

Hey Keith,

Hope you are well. I've cc'd the relevant K&E parties.

We're representing the parent, so we'll defer to ResCap on doc distributions, etc. Please keep us in the loop. Happy to facilitate.

Be good.

Ray.
